Press release

Maligaon, 11th September,2019

As part of Prime Minister's call in his Independence Day speech to abandon single use plastic, N F Railway, Construction organization today launched a drive with aim to abandon single use plastic in N F Railway, Construction premises. All the staff and officers offered Shramdaan on plastic waste collection thrown around the office complex. The drive will be continued upto 2nd October 2019.

On this occasion N F Railway, Construction organized "Swachhta hi Sewa" a fortnight campaign in the main administration building to highlight the present swachhta campaign being undertaken in the country.

The theme of this year's Swachhta hi Sewa is Plastic Waste Management and effective ban of Single Use Plastic (SUP).

Single-use plastics a serious climate change hazard and may represent the epitome of today's throw away culture.

The proliferation of single-use plastic around the world is accelerating climate change hence time has come to halt it urgently .

Shri Mohan Lal, Chief Administrative Officer, N F Railway, Construction led from the front in the campaign in which all the officers and large number of employees also took part. Mohan Lal also administered a pledge to all its officers and staff in Head Quarters.
